Art Basel Sectors and Special Programming

Galleries
Art Basel's core sector with 204 of the world's leading Modern and contemporary art galleries showing 20th- and 21st century works.

Nova
20 galleries present works created within the past three years by one two or three of their artists. This sector often features never-seen-before pieces fresh from the artist's studio and strongly curatorial juxtapositions.

Positions
12 galleries spotlight an emerging artist with one exciting project allowing visitors to discover ambitious new talents.

Survey
Featuring 16 precise art-historical projects including presentations by an individual artist juxtapositions and thematic exhibits by artists representing a range of cultures generations and artistic approaches.

Kabinett
Offering 26 concisely curated installations within the booths of the Galleries' sector and range from thematic group exhibitions to art-historical showcases to solo presentations.

Zero 10
In its largest presentation to date 19 projects examine how digital art is created exhibited contextualized and collected in the international art market.

Magazines
Art & Lifestyle publications from around the world display their magazines at individual stands or at the collective booth.
