About Parcours

For its ninth edition, Parcours transforms a variety of unique locations in the greater Münsterplatz area, next to the iconic Basel Cathedral, featuring 22 artistic interventions by internationally renowned and emerging artists. Parcours is curated for the third time by Samuel Leuenberger, founder of SALTS, the non-profit exhibition space in Birsfelden, Switzerland.

Detailed information, including a booklet with map, is available at all Art Basel Information and VIP Desks, and at the Parcours sector Info Point on Münsterplatz.

Parcours Night

Saturday, June 16
7pm to 12 midnight

Special evening program with live performances at a variety of unique locations in the greater Münsterplatz area. Museums and venues presenting Parcours projects have extended hours. Food and drinks available from various food trucks on Münsterplatz.
