GENERAL REGULATIONS & TOUR GUIDE REGISTRATION | MAY 4, 2019

Please return to olivia.doppler@artbasel.com

Specific rules & regulations apply to the organization of guided tours during Art Basel 2019 by external Tour Guides:

- Group leaders are responsible for the behavior of their group.
- Absolutely NO TOUCHING works of art including any sculptures.
- Groups should be mindful of other visitors and keep their voices to a respectable volume.
- No food, drinks are allowed within the halls.
- Photography is allowed for personal use only. No flash or tripods or video recording is permitted. If taking pictures in gallery stands, the photographer requires the permission of the gallerist. Please also note that press and promotional photography and filming is taking place on these premises.
- Large bags must be checked at the coat-check facilities.
- We do not allow groups to place their own signage in the Halls.

The below sizes and dates of tours are allowed: (only during official show opening times)

Preview Days only Hall 1 (Tuesday & Wednesday, June 11 & 12, 2019) groups of 6 pax maximum

Public Days Hall 1 & 2 (Thursday-Sunday June 13-16, 2019) groups of 12 pax maximum

Bear in mind that not all galleries accept tours (according to the guided tour refusal list available by end of May). You will receive the guided tour refusal list upon your registration and latest one week prior to the show beginning.
