EU certificate					
EFTA certificate Iceland, Liechtenstein, Norway					
Non-EU certificate United Kingdom, North America, South America, Asia, Africa, Australia	 Entering the country: Valid to enter country			 Entering the country: Valid to enter country	
	 Entering the Art Basel halls: Guests who were vaccinated in a non-EU/EFTA state with a vaccine that has been approved by the Swiss Federal Office of Public Health must email their proof of vaccination, as well as a copy of their valid photo ID to covid-cert@bs.ch by Monday, September 13 latest. Should all submitted documents be valid, they will be converted into a Swiss COVID-19 certificate, a printout of which can be picked up from Friday, September 17 onwards at the COVID-19 Certification Center on-site upon presentation of the original documents (proof of vaccination and photo ID).			 Entering the Art Basel halls: Test necessary to enter the halls	

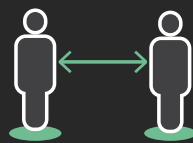

COVID-19 measures in the Certification Center

A face mask covering the mouth and nose is mandatory

Use the hand sanitizing stations

We recommend that all attendees, including staff, keep a distance of 1.5 meters between each other at all times

More detailed information on valid vaccines and COVID-19 procedures can be found on artbaseL.com/COVID-19
