Art Basel Area Map

Art Basel Sectors

Galleries
Art Basel’s core sector, with 222 of the world’s leading Modern and contemporary art galleries showing 20th- and 21st century works.

Nova
22 galleries present works created within the past three years by one, two, or three of their artists. This sector often features never-seen-before pieces fresh from the artist’s studio and strong curatorial juxtapositions.

Positions
16 galleries spotlight an emerging artist with one exciting project, allowing visitors to discover ambitious new talents.

Survey
Featuring 17 precise art-historical projects, including presentations by an individual artist, juxtapositions, and thematic exhibits by artists representing a range of cultures, generations, and artistic approaches.

Kabinett
In a separately delineated space within selected booths of the Galleries sector, 20 diverse curatorial concepts are presented, including thematic exhibitions, solo shows, and art-historical showcases.

Meridians
Art Basel’s exhibition platform showcasing 19 projects that transcend the classic fair booth, including large-scale sculptures, paintings, installations, video projections, and performances. Curated by Mexico City-based Magali Arriola.

Magazines
Print publications from around the world display their magazines at individual stands or at the collective booth.
